

1000530 Outdoor Light without Light Source - wall light Copenhagen - 2xGU10 IP44 - Stainlesssteel

- Robust and modern design
- Adaptable to fit your taste due to the replaceable light source
- Stainless steel housing and glass cover

Give everyone a warm welcome with the timeless and modern Wall Light Copenhagen. Perfect for outdoor and public spaces.

The wall light emits light upwards and downwards, so there is no uncomfortable glare. In addition, the light can be fitted with a GU10 bulb that fits your personal preferences.

LED's light

The light is very sturdy due to the housing made of stainless steel and the bulb is protected by a cover made of tempered glass.
