

1000540 Outdoor Light without Light Source - pole light Amsterdam - 1xE27 IP44 - Black

- Simple and modern design
- Adjustable as desired because of the replaceable light source
- Wide beam angle

Illuminate your garden path or driveway with these beautiful rustic lampposts, with large fitting (E27). By placing a beautiful lantern on both sides of your driveway you create a beautifully illuminated path to your house. You can determine the atmosphere yourself by combining with our different lamps, for example the filament lamps or our flamebulb. This lamppost can be used outdoors in all weather conditions.
