

1000663 Outdoor Light without Light Source - wall light San Francisco - 2xGU10 IP44 - White

- Robust and modern design
- Adaptable to fit your taste due to the replaceable light source
- The light shines upward and downward, so there is no glare

Illuminate your garden, office, and home with the Wall Light San Francisco.

The lamp has a compact design and emits light downwards as well as upwards.

The light is adaptable to fit your taste due to the replaceable light source, for instance if warm white light or light with a sensor is preferred, a bulb that fits these criteria can be used. This also means that the lamp has a long lifespan, since the bulb only needs to be replaced.
