

1000667 Outdoor Light without Light Source - wall light Dakota - 1xE27 IP44 - Black

- Modern and unique design due to the glass panes
- Adaptable to fit your taste due to the replaceable light source
- Light is emitted in all directions

Add a touch of modern sparkle to your home.

The lamp has a dark frame with a glass tube in the middle. The glass makes sure that the light can shine unhindered.

The light is adaptable to fit your taste due to the replaceable light source, for instance if warm white light or light with a sensor is preferred, a bulb that fits these criteria can be used. This also means that the lamp has a long lifespan, since the bulb only needs to be replaced.
