

**1000670 Outdoor Light without Light Source - wall light Abilene - 1xE27 IP44 - Anthracite**

- Light shines evenly due to the frosted diffuser
- Adaptable to fit your taste due to the replaceable light source
- Glare-free lighting

Create a welcoming interior and exterior with the Abilene Outdoor Light. Perfect for at the frontdoor or other places around the house.

The lamp has a dark frame with a frosted light cover, creating the perfect light while also reducing glare.

The light is adaptable to fit your taste due to the replaceable light source, for instance if warm white light or light with a sensor is preferred, a bulb that fits these criteria can be used. This also means that the lamp has a long lifespan, since the bulb only needs to be replaced.
