

1400330 OrgaNice Cable Management Kit - Black

- Slim design
- Quick and easy installation
- Flexible, high impact resistant material

The OrgaNice Cable Management Kit is the perfect solution for neatly storing away wires and cords. This helps to create more structure at for example, desks or television cabinets.

The wiring duct can be easily installed using the adhesive strip on the back. The system itself consists of nine pre-cut sections of each 390mm to enable the perfect installation length needed and the included connectors help in creating the perfect path for the cables to follow.

The set is available in white and black.
