

## S2400296-4 Remote Control - 2400296 - 2x AAA

The remote control allows you to adjust the sensor of article 2400296 to your preference. With the remote control the following functions of the sensor can be adjusted:

- Detection area: reduce or increase the maximum detection range
- Hold time: adjust for how long the luminaire will stay on once movement is detected
- Standby period: set up how long it takes for the luminaire to turn off completely when there is no more movement.
- Daylight sensor: set up at which luminous flux per unit area the luminaire turns on

- Batteries: 2 x AAA (not included)

### General

Brand	LED's light Pro
PLC Status	Active
Warranty	5-Year

### Electrical

Voltage type	DC
Safety class	III

### Logistic Data

Packaging gross weight	0 g
EAN Product	8720604305487
HS Code	9405990090
