We, Shada BV, are a rapidly growing leading manufacturer and importer of LED lighting for the European market located in Apeldoorn. In addition to our office in Apeldoorn, we also have offices in Germany and China, with whom we bring together the brands LEDs light, LEDs work and LEDs light PRO.

To strengthen our team we are immediately looking for a new creative colleague for the position: "Packing designer".

**Job description:**

Your main task will be designing the packaging and manuals for our (new) products in accordance with our corporate identity, in addition to checking and correcting the designs on current European guidelines and also managing Shada's digital assets is one of your activities. You can think of images, designs, product photos, logos and 3D packaging designs. During your work you will work closely with our Product Manager and our branch in China to achieve a good result.

**What we ask from you:**

Completed MBO education in the direction of design

Good command of Dutch and English in language and writing

Mastery of the German language is an advantage

Affinity and experience with Indesign, Photoshop and Illustrator are a must

Knowledge of Origami to make 3D packaging and punch-knife drawings are an advantage

Knowledge of MS Office

Stress-tolerance with a sense of responsibility for meeting deadlines

Able to work accurately and in a structured way

Team player

Living in the area of Apeldoorn, or willing to move to Apeldoorn in the future.

Demonstrable experience in a similar function

**What Shada offers you:**

A fun challenging job at a rapidly growing company in an open and informal corporate culture. Good performance is rewarded with us and together we work on the growth of our company.

Do you feel at home in an international organization and are you looking for a challenging job?

Then we invite you to respond to this interesting vacancy!

Type of employment: Full-time
